

Dynacom WQP100-640 UAV Professional Modules

- Shooting fast moving objects, real-time recording/transmitting/analyzing of 16 bit fully radiometric IR-video with 120Hz and 640x480 resolution

Model No.	WQP100-640
TECHNICAL PERFORMANCE	
Image frequency	120Hz
Detector Type	640x480
Network	Gigabit Ethernet
Video	Yes
Framing	Yes
Temperature range	-20°C to +200°C (Optional: Extend to 500°C)
Encapsulation	IP54(Optional: Extend to IP65)
Lenses	24° X 18°
Lenses (Optional)	No
Size (L×W×H)	115×64.5×69mm
Weight	400g
Standard Package	AC Adapter 1.5m Gigabit Ethernet Cable Standard Software & CD Carrying Case Warranty Card
